Request for Assistance Information and Application

The Florida Association of REALTORS® Disaster Relief Fund was established to raise and distribute funds for members of the REALTOR® Family who have experienced substantial damage or loss to their residence or office due to a disaster.

Minimum Qualifications to Request Assistance

Applicants must be a member of the REALTOR® family prior to the disaster and whose home or real estate office has sustained serious physical and/or structural damage to include but not limited to water intrusion. The following types of damage **may not qualify for assistance** from the Disaster Relief Fund: loss of or damage to outbuildings, cars, boats & recreational vehicles, pool & patio enclosures, pool pumps or pool equipment, blown shingles, personal property, landscaping including downed trees and debris removal, loss of perishable food, fencing, driveways and sidewalks, office signage, other minor damage, loss of income and investment/rental property.

How to Apply for Disaster Relief Assistance

Attach the following items:

1. The attached application must be completed in its entirety, include appropriate signatures, and must be accompanied by:
 - a) Color photos showing damage (digital preferred; **please note that attachment file size limitations vary by service provider. We recommend that you limit total file attachments to 20MB or less. If you need to send additional files, you can do so by sending multiple emails**) and insurance summary page showing deductible and coverage information; and
 - b) A written assessment from your insurance company and estimate to replace or repair damaged areas; and
 - c) Include qualifying repair receipts to date and any additional information which may assist with describing your disaster and subsequent damage.
 - d) Two separate applications are required if both your broker office and residence sustained damage.
