

# Residence Six

Enclosed area: 1750 sq. ft.  
Balcony area: 265 sq. ft.  
Total area: 2015 sq. ft.

The wide central balcony with its breathtaking Gulf view is the focal point for this distinctive home, which features two bedrooms and two full baths. To one side is the large 31-foot living/dining room, plus a walk-in closet off the foyer. On the other side is the master bedroom suite, complete with a walk-in closet and double bowl vanity area, while in the center is a spacious breakfast area, separated from the contemporary kitchen by a counter island and offering direct access to the balcony through its own sliding glass doors.
