

LELY

Master site plan
composed with existing
vicinity development.
Red indicates sold property.

What's so special about Lely?

- Two championship golf courses within the perimeter of the site.
- Central sewer system.
- Underground electric and telephone lines.
- Underground television cable.
- Storm drainage to prevent soggy front yards.
- Broad, landscaped boulevards.
- Large, attractive homesites, with a wide price selection.
- An array of furnished model homes by selected builders.
- Carefully planned areas, so that various types of housing and commercial development complement each other.
- Fine schools, including LELY High School and its 1000-seat auditorium, Collier County's largest.
- Architectural integrity of every structure, monitored by the Community Appearance Committee.
- A Homeowners Association, organized to maintain the beauty of LELY and its property values.
- LELY is just a 10 minute drive to miles and miles of superb beaches.
- Complete shopping facilities within minutes of every LELY homeite.
