

# THE BANBURY

The Banbury is a two-bedroom plus study, three-bath home offering 2,546 square feet under air. The home's master suite features sparkling pool views, luxurious bath, and a sitting area for quiet retreats. The sun-swept kitchen offers informal dining with a separate, breakfast room, with bay windows overlooking the outdoor pool area. A large "flexible" room with bay windows can be tailored to the owner's needs, serving as a media room, home office or exercise room. A screened and covered lanai, attached garage, and covered entry bring the total available square footage of The Banbury to 3,562.
