

THE DEVONSHIRE

The Devonshire offers grand-living and entertainment areas that take full advantage of Florida's wonderful climate. This three bedroom, three and one-half bath model offers 3,520 square feet under air. Indoors, each bedroom suite is separated from the main living areas for privacy. Both formal and informal living areas and the dining room are adjacent to the gourmet kitchen for easy entertaining, and a study and twin verandas border the entryway. Outdoors, a wrap-around lanai with a full outdoor kitchen and island spa with landscaped bridge provides a stunning setting for al fresco gatherings. Including the two car garage and the expansive lanai area, the Devonshire offers a total of 5,524 square feet.
